RE: Fiscal Year 2008 Supplemental Payment to Medical Day Care Providers

The Department of Health and Mental Hygiene has approved a one-time supplemental payment for all active medical day care providers to assist with operating costs. The amount of the supplemental payment will be equal to the amount of the decrease in the FY 2008 per diem rate.

Payment will be based upon each provider's days of service rendered during the months of July, August and September 2007. These days will be multiplied by four (quarters in a year) which will then be multiplied by \$.79 (i.e., the supplemental per diem). Any claim that is not submitted and processed for payment by December 1, 2007 will not be included in the calculation for the supplemental payment. Therefore, providers are encouraged to submit claims for the periods mentioned to ensure maximum payment.

Questions regarding this transmittal should be directed to Medical Day Care staff at 410-767-1444.
